## Interior Specifications

### HIDE - Linen and Beluga split

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Bentayga are naturally free of the insect bites that could otherwise leave blemishes in the leather.

**veneer - Dark Fiddleback Eucalyptus**  
Contemporary straight grained veneer that gives a modern appearance to the cabin. Dark Fiddleback Eucalyptus takes its name from the origin of the craftsmanship of string instruments.
