Azzurro metallizzato is one of the oldest colours available on Ferraris, first seen on the Ferrari 212 Inter Pinin Farina Cabriolet.

The special and historic colour also made an appearance on the most iconic Ferraris such as the 1964 Ferrari 250 GT Lesson Berlinetta and the 1967 Ferrari 275 GTB/4. Ferrari paid homage to this significant colour by using this paint on a number of their limited edition 70th anniversary tributes in 2020.
