Commanding presence meets tailored luxury in this Range Rover Long Wheelbase P530, finished in sophisticated Belgravia Green Metallic with a body-coloured roof and SV Bespoke Caraway and Ebony leather interior. This seven-seat flagship blends effortless performance with refined comfort, powered by a muscular V8 and riding on 22-inch gloss dark grey alloys with 4-wheel steering and electronic air suspension for unrivalled composure. The handcrafted cabin features a sliding panoramic roof, massaging climate seats, SV wooden accents, and a Meridian Signature sound system, creating a serene sanctuary. From its digital LED headlights with image projection to deployable side steps and flush door handles, every detail exudes quiet authority. A true statement of power, poise, and prestige.
