The Range Rover P530 LWB 7-Seater combines powerful V8 performance with genuine seven seat versatility. Its extended wheelbase offers generous space across all three rows, ensuring every passenger travels in comfort. Whether for family, business, or long-distance journeys, it delivers a composed, capable ride in all conditions without sacrificing the design, technology, and craftsmanship Range Rover is known for.

A practical solution for those who need more seats, without settling for less.
