The Rolls-Royce Cullinan Series 2, dressed in the stunning Monteverde exterior, exudes sophistication with a bold Single Forge Yellow coachline and a polished stainless steel package. Riding on 23-inch fully polished wheels and featuring rear privacy glass, this SUV is an undeniable statement of style and exclusivity.

Step inside to a bespoke interior featuring Scivaro Grey perforated leather with Forge Yellow contrasting stitching and the RR monogram elegantly embroidered into all headrests. The illuminated fascia, piano black trim, and extended veneer center line enhance the cabin's opulence. With a shooting star headliner and lambswool floor mats, every detail speaks of meticulous craftsmanship.

The Cullinan is as functional as it is luxurious, offering heated passenger surrounds, front massage and ventilated seats, rear theater configuration, picnic tables, and illuminated treadplates. Advanced technology like Apple CarPlay, Rolls-Royce Bespoke Audio, and Driving Assistant systems ensures a seamless experience. Features like Active Cruise Control, Automatic Door Close, and a DAB tuner round out its cutting-edge amenities.

A perfect blend of artistry and performance, the Cullinan Series 2 elevates the SUV experience to an unparalleled level.
